Dear Community Member,

We are pleased to announce the new Community Resource & Learning Center (CRLC) is up and running with the Burnett County WIC Program, Community Referral Agency, Early Head Start, Family Resource Center, Healthy Families of Burnett County Home Visiting, and Kid Central Early Learning Center is open for business. The goal of the CRLC is to bring together community agencies that work with families in a friendly and welcoming environment. We know that having these agencies in one building helps us serve families in our area more effectively and efficiently. Families are offered many services and activities free of charge including Youngstar rated quality child care, family activities, parent education, advocacy, and nutrition services.

To celebrate this new collaboration, we are having a Grand Opening Event. Please join us on Friday, October 27th, 2017 from 12:00pm-3pm and enjoy a chili lunch as you tour our completely remodeled facility. We look forward to having you celebrate our new venture with us.

Sincerely,

Chris Phernetton, Kid Central Early Learning Center

Heidi Jones, Family Resource Center

Vickie Bauer, Community Referral Agency

Connie Graf, Indianhead Community Action Agency

Dawn Taylor, Healthy Families of Burnett County Home Visiting Program

Sarah Miller, Burnett County WIC Program
