According to statistics printed in the May 2017, issue of AARP magazine, Wisconsin leads the nation in deaths related to unintentional falls. In 2012, it was estimated that locally, over 12 million dollars were spent on health care related to unintentional falls in the home, resulting in either an emergency room visit or admission into the hospital. As an Agency, we recognize the need to help keep people safe in their homes for as long as possible!

WE CAN HELP!

At your request a Registered Nurse can provide a Centers for Disease Control (CDC) evidence based assessment to help determine your risk for falls in your home. Not only will the assessment help determine the risk of falls, but it will also help you determine if you need light modifications in your home (examples; grab bars, motion lights, stair treads, etc.). If light modifications are needed, we will work with our Weatherization Crew for installation. The Nurse will come back for a second visit and help review your medications to see if they may cause any risks for falls, and if needed, speak with your doctor. If you, or someone you know, may be interested in this new and innovative program, please feel free to reach out to me and we can discuss what best meets your needs.

For more info call (715) 532-4222 or email toni.mccutcheon@indianheadcaa.org.

FRESH PRODUCE IS BEGINNING TO ARRIVE!!

Thanks to the volunteers who help with our Connections Community Garden our harvest season is on it's way. The produce is for our Food Pantry clients Tues-Thurs. Items will be for sale to the public Friday & Saturdays (when available). The proceeds from the items sold will go to help purchase food for our food pantry. Remember: If you have an overabundance from YOUR garden please donate to share with those in need.

Donations are greatly appreciated THANKS!

ICAA-OUR HISTORY

Indianhead Community Action Agency was created in 1966, with its corporate office in Ladysmith, covering five counties in Northwest Wisconsin: Burnett, Rusk, Sawyer, Taylor, and Washburn. Clark County was later added in 1986. Since 2010 Indianhead Community Action Agency has been serving twenty counties in Wisconsin with various programs. We have many opportunities for volunteer support! Become a tutor with Crossroads Literacy, volunteer and/or donate to our Connections Store & More or Food Pantry. **Help us open doors to create opportunities for everyone!!** Our Spooner food pantry was relocated to 608 Service Road in May of 2009 and our "Connections" Thrift Store was opened. Proceeds from donations that are sold at our store help fund our food pantry and other services for the people of Washburn Co. Please consider donating or volunteering your time.....

EVERY donation makes a difference!! THANKS for your support.

ICAA HEAD START

Washburn Co Head Start serves all of Washburn Co including children in the Spooner & Shell Lake School Districts. Children ages 3-5 if all abilities are encouraged to apply. For more information or to schedule an appointment to complete an application please call the administrative office at 715-532-4222.
