If you work with people, this training is for you!

Interactive Simulation:

Families are given time to seek services & support, obtain financial assistance and simply decide how to spend what little money that family has in order to survive.

From Participants:

"Powerful experience to gain a different perspective on poverty!"

"One of the best in-services ever."

"Life changing. I'm so steeped in middle class values that I've never realized what poverty is really like."

"I couldn't survive in poverty for two hours. I can't imagine how my students live it daily."
